Dear Cobblestone HOA:

The intent of this letter is to advise you of an issue we have been experiencing with some of your residents trespassing on Martin County Property. We have found several people recently crossing the canal and coming onto Martin County property to hunt and/or fish at the landfill.

To help prevent any confusion in the future of the property boundaries, Martin County is posting No Trespassing, No Hunting and No Fishing signs along the property. We will also contact the Martin County Sheriff's office to inform them of the signs we are posting due to the issues we have been experiencing.

Please remind your residents to respect the no trespassing signs. In the future violators will be reported to the Sheriff's office for prosecution.

Hopefully by taking the steps above we can prevent any issues in the future. We are also sending Stuart West POA a letter as well. If you have any questions, concerns or would like to contact me to discuss please call me at (772) 419-6939 or pyancey@martin.fl.us.

Sincerely,

Patrick Yancey
